Direct Messages

Please understand that social media is not an appropriate platform to respond to a mental health issue. If you would like more information about how to work together therapeutically,

please visit our website at www.riseenlightenedwellness.org or send an email to info@riseenlightenedwellnes.org. Direct messages seeking mental health advice will not be answered. Direct messages regarding a crisis will be directed to the above resources.

Client Engagement

Rise Enlightened has established policies for client engagement on social media. The following policies are listed below:

- Rise Enlightened or any affiliated provider will never send a request to a current or past client of Rise Enlightened's mental health services
- Rise Enlightened or any affiliated provider will not send, respond to or engage with any direct message from or about a current or previous client of Rise Enlightened's mental health services.
- Rise Enlightened or any affiliated provider will not send, respond to or engage with any social media comments from or about a current or previous client of Rise Enlightened's mental health services.

Notes

- Rise Enlightened works hard to protect the rights and confidentiality of the clients that engage our mental health services
- We are committed to safe, fun and educational social media use
